RE: Brunswick Avenue and Knox Lane Improvements
Borough of Lebanon
Our Project No. 15BV103

Please be advised that the Contractor, Cifelli & Son Contracting, will be starting final paving on Thursday, May 18, 2017. It is anticipated that final paving will require 2-days, Thursday and Friday. All cars must be removed from driveways by 7:30 am.

The contractor has indicated that resurfacing will start on Knox Lane. Once Knox Lane is complete, leveling or surface preparation paving will be done on Brunswick Avenue.

We anticipate the following schedule:

Knox Lane: Cars need to be removed from driveways by 7:30 am on both Thursday and Friday. We anticipate return access to Knox Lane, from the Myrtle Avenue direction will be opened mid-afternoon on Thursday and at the end of the day on Friday.

Brunswick Avenue: Cars need to be removed from driveways by 7:30 am on both Thursday and Friday. We anticipate return access will not be available until the end of the day (5:00 pm) on Thursday and Friday.

This office will be providing construction inspection services during paving operations. Your cooperation in helping the project move forward in a neat and timely manner is appreciated. If you have any specific questions or require any additional information please do not hesitate to contact me at (908) 879-6209.
